and Chris Wilson

Power table

WISH we'd had a microphone under the table last Saturday at Tsunami in Palm Beach, where BET billionaire **Bob Johnson** played host to Time Warner chairman **Dick Parsons**, D.C. power-broker **Vernon Jordan**, Wall Street biggie **John Uten-dahl** and Turks and Caicos Prime Minister **Michael Misick**. "It was a group of the most powerful and wealthy black men in America," said our spy. "Talk about black power!"
